COMPANY GOALS & PRINCIPLES

Since inception, CSL Finance Limited has been following certain guiding principles on which the foundation of the Company has been built. The Company believes in maintaining the highest level of integrity in its operations and aspires to be fair to its customers, employees and other stakeholders.

Company's Goals

In order to achieve its objective to be strong and viable in the long run, CSL Finance has earmarked its long term and short term goals, which are:

- Build a low cost profitable business model with a focus on high portfolio quality and customer satisfaction.
- Focus to become formidable player in our niche target segment.
- Build a sustainable business with ROE target of 16-18% in the medium term.
- Service unbanked small businesses with strategy to cross sell.
- Follow a cluster based approach to build a strong presence in select markets of North and West India.

While the focus has been on managing risk, the Company has always had a keen eye for the risk reward payoffs. There has been a strong compliance orientation to ensure that all rules and guidelines are followed in order to build a strong and viable organisation in the long term.

CONSOLIDATING for the FUTURE

The Indian economy has gone through a challenging time last year. NBFC Sector has been hugely impacted due to the defaults by IL&FS Group, which has led to massive liquidity crunch and subsequent defaults by other NBFCs.

In this tough environment for smaller NBFCs, we are working to further consolidate our operations and improve our processes. We are working towards

“Continuing our growth story with a focus to increase profitability and market share.”

building a hub-n-spoke model for our SME Retail Loans, and improve our market penetration.

We have had good response to our School loan products and over time we plan to ramp up this portfolio in our branches. We are building a secured book, and at the same time our focus is to improve branch throughput, drive sales productivity, standardize our processes with an aim to improve profitability at branch level. Our NPAs are under control and we are tracking our loan portfolio closely to see any impact of the slowing economy and resultant job losses.

Given the challenges of raising fresh debt in the current environment, we will be using the cash flows from the wholesale lending book to fund the growth of the SME Retail lending book.

We see the current year as a year of consolidation and hope to grow our balance sheet as soon as the liquidity crunch gets resolved, and we are able to borrow at competitive rates.

LETTER FROM MANAGING DIRECTOR

Dear Shareholders

I welcome this opportunity to share my thoughts about our business with our stakeholders. The year gone by has been a very tough year for the NBFC sector in India. In FY2019, NBFCs faced big liquidity crunch due to repayment default by a AAA Rated IL&FS group. In the immediate aftermath of the

IL&FS default, banks became more cautious and became wary on lending money to NBFCs. Even the Mutual funds which invested in NCDs and CP Paper of NBFCs, came under regulatory glare and stopped the rollovers of debt as the instruments matured. Banks being the main source of borrowing for NBFCs, it became very hard for NBFCs to borrow money even at

higher interest rates. This liquidity crunch increased their interest costs and impacted their ability to disburse more loans and seriously impacted the profitability of the highly leveraged players in the housing finance space. Also, the credibility of ratings given by Rating Agencies became questionable, and created a huge mistrust in the market, forcing many NBFCs to unwind their balance sheets.

In such challenging times for the NBFC sector, I am satisfied with the performance of our company. Our revenue during the year grew by 44% to ₹59.70 Cr in FY2019 from ₹41.47 Cr in FY2018. Our profitability also improved, with our Profit after Tax increasing from ₹18.07 Cr in FY2018 to ₹25.15 Cr in FY2019, a growth of 39%.

In such challenging times for the NBFC sector, I am satisfied with the performance of our company. Our revenue during the year grew by 44% to 59.70 Cr in FY2019 from 41.47 Cr in FY2018, our Profit after Tax increasing from 18.07 Cr in FY2018 to ₹25.15 Cr in FY2019, a growth of 39%.

Though, the SME Retail lending operations were started in the last quarter of the FY 2016-17, we have done full-fledged SME retail lending during this year. The performance has been encouraging. AUM in the SME segment grew substantially from ₹16 Cr in March 2018 to ₹55Cr in March 2019. We

have extended our presence to Delhi NCR, Haryana, Punjab, Uttarakhand, Gujarat and Rajasthan. Our branch network has increased to 18 at the end of year 2019 from 12 at the end of 2018. We opened 6 new branches, foraying into Gujarat with 4 new branches. We are focused on giving Secured loans, with over 92% of the loan book comprising of Secured Loans. Our focus is to grow

SME loans to less riskier segments like schools and educational institutions, and aim to do this by following a 'Hub and Spoke (H&S) Model'. We are committed to our strategy of focusing on profitable growth and working towards making our branches profitable by increasing our operational efficiency and employee productivity.

While our Wholesale business performed well, the growth was limited, as we were constrained by our ability to borrow in this challenging environment.

only in South Delhi market but during the year we expanded our presence to Delhi NCR and Gurugram (Gurgaon).

In the current environment, many NBFCs are struggling with serious problems of bad assets and high NPAs. At CSL, we have tried to focus on asset quality, and have not compromised on our

institutions, which have much more stable cash flows and are less risky. In our SME Retail lending book, our endeavor is to maintain high asset quality and keep NPAs low. Our Net NPAs in the retail book are 0.58%.

We have credit rating of BBB from CARE and our CAR stand at robust 66% giving us enough room

the company and has reduced our turnaround time significantly. Another big milestone was the shifting of our corporate office from Karol bagh in Delhi to a bigger office in Noida, U.P. to accommodate the growing team and providing top class infrastructure and bigger and better workplace to our employees..

Our net borrowing at the end of March 2019 stands at ₹121.94 Cr. Our asset liability management position has been very comfortable throughout the year with the minimum leverage on our books. Further, our net operational cash flows are much more than our monthly repayment obligations. So we do not expect any challenge in repayment of our debt obligation due to liquidity crunch in the industry.

We think the liquidity crunch in NBFC sector is transitory and we are very optimistic about the growth in NBFC sector in the coming years. Going ahead our focus would be on building our Retail SME loan book. We will expand our SME operations, by following a 'Hub and Spoke (H&S) Model', for even better penetration of our targeted geographies in a cost-effective manner. In our wholesale operations, we are intentionally reducing our exposure to group housing projects and LAP projects. Our endeavour is to increase small builder loan segment which is less risky due to high promoter equity in projects and operating cycle of 12-18 months only. Our repayments from wholesale segment are very robust and shall be used for funding SME growth and small builder's loan.

I would like to thank our employees for their contribution in the growth of the company. I also express my gratitude towards our shareholders and lenders who have shown faith in CSL and continue to support us in this journey.

A big milestone for us was the successful implementation of loan origination package FinnOne Neo. We are using its reporting and analytics to fine-tune our operational performance.

In Wholesale Lending, we have 3 products-Large Group Housing Projects, LAP to corporate and education sector and Small Builders redevelopment financing. During the year, we consciously reduced our exposure in large group housing projects and LAP due to changing market environment. We are focussed on lending to small builders and our AUM grew in that space from ₹44.75 Cr from March 2018 to ₹80.42 Cr in March 2019. Our loan book in group housing and LAP has declined during the year and is expected to decline further. In small builder loans, we were present

underwriting standards, even if that meant losing business to competition. Our wholesale lending operations are 100% secured with LTVs of less than 50%. We closely monitor customers financials and actively work to resolve any delays in payments. I am proud of the fact, that the NPAs in wholesale lending operations remained NIL. In SME segment, 92% book is secured, and we provide unsecured lending only to school and educational

and capability to raise funds, when the environment improves.

A big milestone for us was the successful implementation of loan origination package FinOne Neo. We are using its reporting and analytics to fine-tune our operational performance. This has also helped us in establishing better control and processes within

MANAGEMENT DISCUSSION & ANALYSIS REPORT

INDIAN ECONOMY

Year 2019 was tough year for the Indian economy. It started with good GDP growth of 8% in Q1 but in later part of the year Indian economy faced challenges and growth started to decline. In Q2, Q3 and Q4, Indian GDP growth remained lower at of the year 7%, 6.6% and 5.8% respectively. In second half of the year economic growth slowed down due to slow down in agriculture and manufacturing growth. Slowdown in economy was largely on account of crisis in financial sector which impacted credit flows to manufacturing industries. Reduced credit flows impacted the fixed investment and resulted in lower production. Indian GDP growth rate was declined to 6.8% in FY2019.

However, the financial crisis in 2019 was temporary and economy is likely to recover after hitting lowest growth of 5.8% in Q4 in last 20 quarters. The sustained rise in

consumption and gradual revival of investment with primary focus on infrastructure development shall drive the growth of the economy. Investment in infrastructure has been focus area for NDA government. With the strong mandate to NDA government in 2019 elections, spending in infrastructure shall be continued. Furthermore, the benefits of the Insolvency and Bankruptcy Code, The Real Estate (Regulation and Development) Act and GST shall be visible to formal economy. Furthermore, moderate oil prices will keep inflation at lower level. Inflation rate in FY2019 remained at 2.9% giving room to RBI for reducing interest rate which will further increase the borrowing for capital investment.

NBFC SECTOR

Non-Banking finance companies are integral part of the Indian financial system. NBFCs have grown significantly

over the last decade and have contributed to growth of the economy. The importance of NBFCs have grown over the years due to their innovative and customised products, quick turnaround time, lower costs and ability to reach under served places. Over the years, NBFCs have become sought after source of funding in automobile finance, home finance, consumer durable product finance, microfinance and loan to MSME sector. NBFCs have sought niche areas for growth, where typically banks did not lend. NBFCs have played significant role to promote financial inclusion agenda of the government. They have catered to the financial needs of people belonging to weaker and informal section of the society.

Over the years, NBFCs have captured the market share of banks in certain products, due to faster turnaround, flexibility in product terms, greater use of technology and efficient delivery. The combined loan book of NBFCs and housing finance companies has increased at 17% CAGR, from ₹11 lakh crore in FY2013 to ₹24 lakh crore in FY2018. NBFCs share in overall credit has increased from 17% in FY13 to 21% in FY18. In some of the products like gold loan, microfinance, small business loans, vehicle and consumer durable financing, NBFCs have captured about 50% market share.

NBFCs are largely dependent upon borrowing from other institutions like banks and mutual funds for their growth. They borrow funds from banks and financial institutions, through term loans, working capital loans and NCDs. They also borrow from Mutual Funds through NCDs and Commercial Papers (CPs) and some of them have also built retail deposit franchises.

In the current environment of tight liquidity and trust deficit post the default by IL&FS group, NBFCs are facing challenges in raising funds from mutual funds, banks and financial institutions. As the year passed the liquidity challenges have further aggravated, due to slowing economy and further stress emerging in some of the larger NBFCs. Public sector banks have stopped lending as they have hit sectoral exposures and want to avoid further build up of NPAs. Private sector banks see this an opportunity to take some market share back from the NBFCs, and Mutual Funds have come under regulatory glare for their lax lending standards. Most of NBFCs, except for some of larger NBFCs with strong parentage and high credit ratings, are unable to borrow, which has impacted their ability to grow.

MSME SECTOR

MSME sector is backbone of Indian economy and account for 30% of GDP. It constitutes of over 63 million units and employs more than 111 million people. The MSME sector accounts for 40% of total exports from India and accounts for 45% of manufacturing output of the country.

Inspite of being significantly important for employment generation and for economic growth, MSMEs face challenges to access timely and adequate finance. According to International Finance Corporation estimates, the potential demand for India's MSME finance is about USD 370 billion as against the current credit supply of USD 139 billion. The major challenge MSME face while borrowing funds is credit appraisal largely in informal sector. NBFCs are gaining share in MSME lending space due to inability of banks to lend to them in absence of sufficient credit information. Share of NBFCs have increased from 13% in Dec 2013 to 21% in Dec 2018.

ABOUT CSL FINANCE LIMITED

CSL Finance Limited (CSL) is a non deposit taking NBFC based in Delhi. It has two business segments - Wholesale Lending and SME Retail Lending. In Wholesale Lending, CSL is engaged in providing last mile funding solutions to small businesses engaged in real estate development. Under Wholesale Financing it has 3 products - Large Group Housing Projects, Small Builder Loans and LAP to Companies and businesses engaged in the education sector. Last year (FY2018) company forayed into SME Retail financing and has quickly scaled up its SME Retail operations and has opened 18 branches in 6 states.

Performance During the year

During the year, performance of the company was buffeted by the challenges in the NBFC sector, but given the circumstances, your company has done reasonably well.

- Its revenue during the year grew by 44% to ₹59.70 Cr in FY2019 from ₹41.47 Cr in FY2018.
- Profitability also improved substantially from PAT of ₹18.07 Cr in FY2018 to ₹25.15 Cr in FY2019 a growth of 39%.
- AUM grew from ₹281.31 Cr in FY2018 to ₹323.51 Cr in FY2019 a growth of 15%.

Operationally, the company has implemented a lot of changes and has scaled up its operations. The following developments took place during the year:

- In SME segment, it forayed in Gujarat and expanded its branch network from 12 to 18 branches
- Successfully implemented loan origination package FinnOne Neo.
- Successfully implemented HRMS Solution for managing its human resource functions
- Shifted to bigger corporate office in Noida in UP from Karol Bagh in Delhi. The new office has a seating capacity of over 60 people
- Hired Key personnel like Credit Head, Treasury Head and HR Head, and total employee strength increased to 143 on YoY growth of 56%

NBFCs during the year struggled to raise funds due to liquidity crisis in the industry. CSL also faced issues in raising funds and has managed to grow its AUM by 15% only. In first half of the year, it raised about 30 cr but in second half of the financial year, after the IL&FS default, the interest rates spiked and it has been a challenge to raise funds at competitive rates. In such an environment, CSL is using the cash flows generated from the Wholesale Lending business to fund the growth of its SME Retail Lending.

SEGMENTAL PERFORMANCE

SME Retails

CSL forayed in SME retail financing in FY2018. Under this segment, company disburses secured loans to Kiryana stores, Traders, Schools and other boutique small shops and merchants and ticket size is from ₹5 lakhs to ₹20 lakhs. Having started from Delhi NCR, our company has rapidly scaled up its operations across 6 states now. It has presence in Delhi, Haryana, Punjab, Uttarakhand, Rajasthan and Gujarat. The company has now 18 branches operational, as compared to 12 branches in FY2018. CSL is prudent in building its retail franchise and a matter of strategy, ensured that more than 92% of SME Retail loan book is secured. It currently disburses unsecured loans under ₹5 lakhs to K-12 schools located in Tier 3 & Tier 4 locations, in the tertiary area around its branches.

Performance of SME retail segment

- AUM increased from ₹16.03 Cr in FY2018 to ₹55.26 Cr in FY2019 a growth of 244.72%
- Opened six new branches
- Forayed into new Market in Gujarat

- Maintained its low delinquencies and NPA was at 0.58%
- Hired Key personnel like Credit Head, Treasury Head and HR Head

The SME Retail lending will lead the future growth of the company. The company following a hub-n-spoke model to increase its penetration, and has built its presence in Northern & Western India. In the current challenging environment, our company is consolidating its position and is focused on increasing productivity and cutting operational cost. Using the hub-n-spoke model the company aims to improve the branch throughput and drive sales productivity. With the implementation of Loan Origination System - FinnOne Neo, the processes has been standardised and all branch personnel have been trained to operate on the new platform.

Our company is also increasing its product offering by providing tailored products as per market requirements. The focus is to increase market penetration in Tier 3 and Tier 4 cities, and offer customised products with quick turnaround time. Its customised loan offering for K-12 schools has got a good response from the market, and

company continues to build on this as this segment has huge market potential. Given the good response and high credit quality our company has started giving out smaller unsecured loans in this segment. We will monitor the credit behavior and scale this further, as these loans age and we have a better understanding of the quality of the portfolio.

Wholesale Lending

CSL started wholesale lending business in a small way in 2011. Over time it has grown and currently is the largest contributor to its sales. Under this segment, company provides loan for:

- Construction finance to large group housing projects
- Small builder floor financing
- LAP to corporate and education sector

The wholesale book is primarily concentrated to Delhi-NCR region, which has been built over the time with good domain knowledge and in depth understanding of geographies. The Wholesale as on date is fully secured, with loan to value (LTV) of less than 50%. The company

has developed robust underwriting parameters and have strong in house legal team as well as reputed outsourced legal vendors to conduct extensive due diligence. Regular monitoring of accounts and robust inbuilt EWS (early warning system) helps to closely monitor clients cashflows to detect any stress and helps to take early steps to secure its position. Despite economy is passing through bad phase and there are challenges in the real estate sector, the company is able to maintain Zero delinquencies in this segment.

Performance during the year

Overall growth of wholesale segment remained muted this year. AUM of the wholesale segment was up from ₹265 Cr to ₹268 Cr. Growth in this segment was flat during the year largely due to liquidity crisis in the industry. With limited debt availability, our company decided to use the cash flows from the wholesale segment to fund the growth of the SME Retail segment. Within wholesale finance, our company has reduced its exposure in construction finance to large group housing projects. AUM of large group housing projects declined from ₹180 Cr to ₹147 Cr. AUM of LAP to corporate and education sector remained at ₹40 Cr.

AUM under small builder segment grew by 79.70% to ₹80.42 Cr which is encouraging for the company. The exposure in this segment is concentrated to Delhi- NCR region, that too primarily in South Delhi and Gurugram (Gurgaon) market. The company disburses loan in this segment majorly as construction loan and the LTVs here are typically less than 40%. Promoters typically have more than 50% equity in these projects which is a very positive factor. Further, exposure being concentrated to marquee areas where the demand is always robust, the sale velocity of the projects are very high. Barring few exceptions, the project is mostly completed within 12-18 months after which revenue starts to flow in. The potential within Delhi NCR and Gurugram (Gurgaon) is huge for this product. Company has been focusing on this product and aim to scale up this book over time.

Our company's asset liability aspect is very comfortable and it does not see any challenge in meeting its liabilities. CSL has low leverage in its books and the total repayment commitment over the next 1 year is ₹67 Cr., which includes CC limits and WCDL renewal every year. Furthermore, its wholesale lending segment has robust cash flows and it maintains 5-7% of cash reserves to meet any contingent demands. CSL is rated BBB from CARE and have 66% CAR ratio.

OUTLOOK

Over the longer term, our company remains optimistic about the growth opportunities and its ability to scale up its operations. It has very low leverage on its balance sheet with CAR of 66% as on 31st March, 2019.

There have been short term challenges with the NBFC sector, and raising debt at competitive rates has become a challenge. In such a scenario, it is difficult to grow the balance sheet. While we are actively looking for raising debt at reasonable rates, we are simultaneously working on broadening our product profile, optimising our processes and improving our productivity.

We are actively monitoring our wholesale loan portfolio and are proud of the fact that there are no NPAs in this segment. However, the current slowdown in real estate space, and restricted lending by housing finance companies, has aggravated the situation and we are working to ensure that our borrowers are paying back on time and are able to come out the tight liquidity situation.

We have been testing the grounds with our SME Retail lending operations and are satisfied with how the portfolio has performed. We aim to now focus on improving our cost of operations and productivity for the current year. The growth of the SME Retail book will be funded from the cash flows of the Wholesale book. Once the sectoral liquidity eases, we will aim to grow our overall book and leverage our strong balance sheet and quality of our portfolio.

Process and Manner for Members Opting for Remote E-Voting

The instructions for remote e-voting are as follows:

Step 1: Log-in to NSDL e-voting system at <https://www.evoting.nsdl.com/>

Step 2: Cast your vote electronically on NSDL's e-voting system.

Step 1 : How to log-in to NSDL e-voting website

1. Visit the e-voting website of NSDL by opening your web browser and typing the following URL: <https://www.evoting.nsdl.com/> either on a desktop computer/laptop or on a mobile.
2. Once the home page of e-voting system is launched, click on the icon "Login" which is available under 'Shareholders' section.

3. A new screen will open. You will have to enter your User ID, your Password and a Verification Code as shown on the screen. Alternatively, if you are registered for NSDL e-services i.e. IDEAS, you can login at <https://e-services.nsdl.com/> with your existing IDEAS log-in details. Once you login to NSDL e-services after using your log-in credentials, click on 'e-voting' and you can proceed to step 2 i.e. cast your vote electronically.

4. Your User ID details are given below :

Manner of holding shares i.e. Demat (NSDL or CDSL) or Physical	User ID
a) For Members who hold shares in demat account with NSDL.	8 Character DP ID followed by 8 Digit Client ID For example if your DP ID is IN300*** and Client ID is 12***** then your user ID is IN300***12*****.
b) For Members who hold shares in demat account with CDSL.	16 Digit Beneficiary ID For example if your Beneficiary ID is 12***** then your user ID is 12*****.
c) For Members holding shares in Physical Form.	EVEN Number followed by Folio Number registered with the Company For example if folio number is 001*** and EVEN is 106956 then user ID is 106956001***

5. Your password details are given below:

- If you are already registered for e-voting, then you can use your existing password to login and cast your vote.
- If you are using NSDL e-voting system for the first time, you will need to retrieve the 'initial password' which was communicated to you. Once you retrieve your 'initial password', you need to enter the 'initial password' and change your password, as prompted by the system.
- How to retrieve your 'initial password'?
 - If your email ID is registered in your demat account or with the Company, your 'initial password' is communicated to you on your email ID. Trace the email sent to you from NSDL from your mailbox. Open the email and open the attachment (it will be a .pdf file). Open the file. The password to open

the file is your 8-digit client ID for NSDL account or the last 8 digits of client ID for CDSL account or folio number for shares held in physical form. The .pdf file contains your 'User ID' and your 'initial password'.

- If your email ID is not registered, your 'initial password' is communicated to you on your postal address.

6. If you are unable to retrieve or have not received the 'initial password' or have forgotten your password:

- Click on "Forgot User Details/Password?" (for those holding shares in demat accounts with NSDL or CDSL) option available on www.evoting.nsdl.com.
- A 'Physical User Reset Password?' (for those holding shares in physical mode) option is also available on www.evoting.nsdl.com.
- If you are still unable to get the password following the aforesaid two options, you can send a request at evoting@nsdl.co.in mentioning your demat account number/folio number, your PAN, your name and your registered address.

7. After entering your password, tick on Agree to "Terms and Conditions" by selecting on the check box.

8. Now, click on "Login" button

9. After you click on the "Login" button, the home page of e-voting will open.

Step 2

How to cast your vote electronically on NSDL e-Voting system.

- After successful logging in following Step 1, you will be able to see the home page of e-voting. Click on e-Voting. Then, click on 'Active Voting Cycles'.
- Upon clicking on 'Active Voting Cycles', you will be able to see "EVEN" of all the companies in which you hold shares and whose voting cycles are in 'active' status.
- Select "EVEN" of Company for which you wish to cast your vote.
- Now you are ready for e-voting as the voting page opens.
- Cast your vote by selecting appropriate options i.e. assent or dissent, verify/modify the number of shares for which you wish to cast your vote and click

on "Submit" and also "Confirm" when prompted.

- Upon confirmation, the message "Vote cast successfully" will be displayed.
- You can also take the printout of the votes cast by you by clicking on the print option on the confirmation page.
- Please remember that once you confirm your vote on the resolution, you will not be allowed to modify your vote.

General Instructions:

- Institutional shareholders (i.e. other than individuals, HUF, NRI, etc.) are required to send scanned copy (PDF/ JPG format) of the relevant Board Resolution/Authority letter etc., together with attested specimen signature of the duly authorized signatory(ies) who are authorized to vote, to the Scrutinizer through e-mail to skcs74@yahoo.com and investor@csfinance.in with a copy marked to evoting@nsdl.co.in.
- It is strongly recommended that you do not share your password with any other person and take almost care to keep your password confidential. Log in to the e-voting website will be disabled upon five unsuccessful attempts to key in the correct password. In such an event you will need to go through the 'Forgot User Details/Password?' or the 'Physical User Reset Password?' Option available on www.evoting.nsdl.com, to reset the password.
- In case of any queries, you may refer the Frequently Asked Questions (FAQs) for shareholders and remote e-voting user manual for shareholders available at the "Downloads" section of www.evoting.nsdl.com, or call on the toll-free no.: 1800-222-990, or send a request at evoting@nsdl.co.in.
- Any person, who acquires shares of the Company and becomes member of the Company after dispatch of the notice and holding shares as of the cut-off date i.e. 23rd September, 2019, may obtain the login ID and password by sending a request at evoting@nsdl.co.in or RTA. A person who is not a member as on the cut-off date should treat this notice for information purposes only. The voting rights of members shall be in proportion to their shares of the paid up equity share capital of the Company as on Cut-off Date. Since the Company is required to provide members the facility to cast their vote by electronic means, shareholders of the Company, holding shares either in physical form or

in dematerialized form, as on the closing working hours of Cut-off Date and not casting their vote electronically, may cast their vote at the meeting.

- Mr. Sanjay Kumar, Practicing Company Secretary (CP No.5177), who has consented to act as the scrutinizer and is available for the purpose of ascertaining the requisite majority, has been appointed as the scrutinizer to scrutinize the remote e-voting process and poll in a fair and transparent manner.
- The Chairman shall at the meeting, at the end of discussion on the resolutions on which voting is to be done, allow voting with the assistance of scrutinizer, by use of ballot or polling paper for all those members who are present at the meeting but have not cast their votes by availing the remote e-voting facility.
- Scrutinizer shall immediately after the conclusion of the meeting will first count the votes cast at the meeting and thereafter unblock the votes in the presence of at least two witnesses not in the employment of the Company. The Scrutinizer shall submit a consolidated Scrutinizer's Report of the total votes cast in favour or against, if any, not later than 3 days after the conclusion of the AGM to the Chairman or any other person authorized by him in writing, who shall counter sign the same and declare the result of the voting forthwith.
- The results declared along with the Scrutinizer's Report will be posted on the Company's website www.csfinance.in and shall also be displayed on the Notice Board of the Company at its Registered Office and Corporate Office. The result shall be communicated to BSE Limited and also to NSDL.
- The Company has designated an exclusive email id viz investor@csfinance.in to enable the investors to post their queries/suggestions/grievances and monitor its redressal.

8. REMUNERATION OF DIRECTORS:

Criteria of Making Payments to Non-Executive Directors:

Non-executive directors of the Company play a crucial role in the independent functioning of the Board. They bring in an external perspective to decision-making and provide leadership and strategic guidance while maintaining objective judgment. They also oversee the corporate governance framework of the Company. The criteria of making payments to non-executive directors have been put on the Company's website (www.csloffice.in).

Sitting Fee:

Such director(s) may receive remuneration by way of fee for attending meetings of the Board or Committee thereof or any other meeting as required by Companies Act, 2013, Listing Regulations or other applicable law or for any other purpose whatsoever as may be decided by the Board;

Commission:

Under the Companies Act, 2013, Section 197 allows a company to pay remuneration to its NEDs either by way of a monthly payment or at a specified percentage of the net profits of the company or partly by one way and partly by the other. Further, the section also states that where the company has Managing Director or Whole-Time Director or Manager, then a maximum of 1% of its net profits can be paid as remuneration to its NEDs. In case there is no managing director or whole-time director or manager, then a maximum of 3% of net profit can be paid. Thus, the basis of payment to the NEDs is the net profit of the Company. The Company is however not obligated to remunerate its NEDs.

Refund of excess remuneration paid:

If any such director draws or receives, directly or indirectly, by way of fee/remuneration any such sums in excess of the limit as prescribed or without the prior sanction, where it is required, such remuneration shall be refunded to the Company and until such sum is refunded, hold it in trust for the Company.

Reimbursement of actual expenses incurred:

Non-Executive Directors (NEDs) may also be paid/reimbursed such sums either as fixed allowance and/or actual as fair compensation for travel, boarding and lodging and incidental and/or actual out of pocket expenses incurred by such member for attending Board/Committee Meetings. The Nomination and Remuneration Committee is entrusted with the role of reviewing the compensation of NEDs.

Payment to Independent Directors:

An independent director shall not be entitled to any stock option and may receive remuneration only by way of fees and reimbursement of expenses for participation in meetings of the Board or committee thereof and profit related commission up to a certain percentage of net profits in such proportion, as may be permissible under the applicable law.

Disclosures with respect to remuneration:

Remuneration to Executive Directors, KMPs, Senior Management Personnel and other Employees of the company.

The Executive Directors, KMPs and Senior Management Personnel shall be eligible for a monthly remuneration as may be approved by the Board on the recommendation of the Committee. The breakup of the pay scale and quantum of perquisites including, employer's contribution to P.F., medical expenses, LTA and other expenses shall be decided and approved by the Board on the recommendation of the Committee and approved by the shareholders and Central Government, wherever required.

The Managing Director of the Company may decide the remuneration of KMPs (other than Managing/Whole time Director) and Senior Management based on the standard market practice and prevailing HR policies of the Company. If, in any financial year, the Company has no profits or its profits are inadequate, the Company shall pay remuneration to its Executive Director/KMPs in accordance with the provisions of Schedule V to the Companies Act, 2013 or prior approval of the Central Government as the case may be. The Remuneration/Commission etc. to be paid to Managing Director/Whole-time Directors, etc. shall be governed as per provisions of the Companies Act, 2013 and rules made there under or any other enactment for the time being in force. The Fixed pay shall include monthly remuneration, employer's contribution to

Provident Fund, contribution to pension fund, pension schemes, etc. as decided from to time.

The incentive pay shall be decided based on the balance between performance of the Company and performance of the Key Managerial Personnel and Senior Management, to be decided annually or at such intervals as may be considered appropriate.

Remuneration is paid by the Company only to the Managing Director of the company, the elements of which are summarised below:

Name of Director	Salary	Bonuses	Stock options	Pension	Other Benefits
Rohit Gupta	84,00,000	-	-	-	-

BASIS FOR OPINION

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

MANAGEMENT'S RESPONSIBILITY FOR THE STANDALONE FINANCIAL STATEMENTS

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with

SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. Also Refer "Annexure A" to this audit report.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

- 1 As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure B", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- 2 As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - (e) On the basis of the written representations received from the directors as on 31st March, 2019 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2019 from being appointed as a director in terms of Section 164 (2) of the Act.
 - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure C".
 - (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us.
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer to Note 22(a)(A)(iii)(a) to the financial statements.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts required to be transferred, to the Investor Education and Protection Fund by the Company.

ANNEXURE-A TO THE INDEPENDENT AUDITORS' REPORT

REPORT ON THE AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

ANNEXURE – C TO THE INDEPENDENT AUDITORS' REPORT

REPORT ON THE INTERNAL FINANCIAL CONTROLS UNDER CLAUSE (I) OF SUB-SECTION 3 OF SECTION 143 OF THE COMPANIES ACT, 2013 ("THE ACT")

We have audited the internal financial controls over financial reporting of **CSL FINANCE LIMITED** ("the Company") as of 31st March, 2019 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

AUDITORS' RESPONSIBILITY

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OPINION

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO THE ACCOUNTS

NOTE - 1

SIGNIFICANT ACCOUNTING POLICIES

a) System of Accounting

- The books of accounts are maintained on mercantile basis except where otherwise stated.
- The financial statements are prepared under the historical cost convention in accordance with the applicable Accounting Standards issued by The Institute of Chartered Accountants of India and as per the relevant representational requirements of the Companies Act, 2013 and the relevant provisions of RBI as applicable NBFC.
- Accounting policies not specifically referred to are in consistent with generally accepted accounting practices, except where otherwise stated.
- All assets and liabilities have been classified as current or non-current as per the companies normal operating cycle as 12 months for the above purpose.

b) Revenue Recognition

- Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can reliably measured.
- Interest income is recognized on time proportion basis. But in some cases interest rebate is granted after completion of tenure of the loan for timely repayment of loan and interest.
- Processing fees on processing of loans are recognized upfront as income.
- Dividend income is recognized when right to receive is established.

c) Investment

Valuation

- Investments are classified into non-current investments and current investments.
- Non-current investments are stated at cost and provision wherever required, made to recognize any decline, other than temporary, in the value of such investments.
- Current investments are carried at lower of cost and fair value.
- In case bonus shares are received against existing holding, bonus shares are valued at Nil cost.

d) Property, Plant & Equipment (Tangible Assets)

- All Property, Plant & Equipment are stated in books at historical cost inclusive of all incidental expenses.
- Cost comprises the purchase price and any attributable cost of bringing the assets to working condition for its intended use.

e) Intangible Assets

Intangible assets are recorded at the consideration paid for acquisition of such assets.

f) Depreciation & Amortization

- Depreciation on the assets has been provided to the extent of depreciable amount on SLM basis. Depreciation has been provided based on useful life of the assets as prescribed in the Schedule II of the Companies Act, 2013. Depreciation for assets purchased/sold during the year is proportionately charged.
- Intangible assets are amortized on SLM Basis over their respective individual estimated useful lives. The amortization period and amortization method are reviewed at every reporting period. If the expected useful life of the asset is significantly different from previous estimates, the amortization period is changed accordingly.
- Leasehold improvements are amortised over the period of lease

g) Retirement Benefits

- Leave encashment entitlements are recognised as a liability, in the year of rendering of service, as per the rules of the Company. As accumulated leave can be availed and/or encashed at any time during the tenure of employment, the liability using the projected unit credit method is recognised at the actuarially determined value by an appointed actuary.
- The company has defined benefit plan for post-employment benefit in the form of gratuity for eligible employees, which is administered through a Group Gratuity Policy with Kotak Mahindra Life Insurance Company Limited. The liability for the above defined benefit plan is provided on the basis of an actuarial valuation as carried out by Kotak Mahindra Life Insurance Company Limited. The actuarial method used for

measuring the liability is the Projected Unit Credit Method.

- The employee and company make monthly fixed contribution to Government of India employee's provident fund equal to a specified percentage of the covered employee's salary. Provision for the same is made in the year in which services are rendered by the employee.

h) Inventories

Inventories are valued at cost (using FIFO method) or net realizable value, whichever is lower.

i) Impairment of Assets

The carrying amounts of assets are reviewed at the balance sheet date to determine whether there are any indications of impairment. If the carrying amount of the assets exceeds the recoverable amount at the reporting date, the carrying amount is reduced to the recoverable amount. The recoverable amount is the greater of the assets net selling price and value in use, the value in use determined by the present value estimated future cash flows. Here carrying amounts of assets are equal to recoverable amounts.

j) Earning Per Share

- Earning per share is calculated by dividing the net profit or loss for the period attributable to equity share holders by the weighted average number of equity shares outstanding during the period.
- For the purpose of calculating diluted earning per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all diluted potential equity shares.

k) Provisions, Contingent Liabilities and Contingent Assets

Provisions are recognised when there is a present obligation as a result of past events and when a reliable estimate of the amount of the obligation can be made.

Contingent liability is disclosed for:

- Possible obligations which will be confirmed by future events not wholly within the control of the company, or

- Present obligation arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation can not be made.

Contingent assets are not recognized in the financial statements since this may result in the recognition of income that may never be realized.

l) Accounting for Taxes on Income

- Current tax is determined as the amount of tax payable in respect of taxable income for the year.
- Deferred Tax is recognized subject to the consideration of prudence on timing difference, being the difference between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods and measured using relevant enacted tax rates.
- Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which during the specified period gives future economic benefits in the from of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax. Accordingly, MAT is recognized as asset in the Balance Sheet when it is highly probable that future economic benefit associated with it will flow to the Company.

m) Borrowing costs

Borrowing costs that are directly attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use.

All other borrowing costs are charged to the Statement of Profit and Loss for the period for which they are incurred.

n) Employee Stock Option Scheme

The company has formulated Employee Stock Option Scheme (ESOS) in accordance with the Security and Exchange Board of India (Share based Employee Benefit Scheme) Regulations, 2014. The scheme provides for grant of options to employees of the

company to acquire equity shares of the company that vest in a graded manner and that are to be exercised within a specified period. In accordance with the SEBI Regulations, the excess, if any, of the closing market price on the day of the grant of the options under ESOS over the exercise price is amortised on a straight-line basis over the vesting period.

o) Cash Flow Statement

Cash flows are reported using indirect method, whereby Profit/ (Loss) before extraordinary items and tax is adjusted for the effects of transactions of non -cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the company are segregated based on the available information.

p) Cash and cash equivalent

Cash and cash equivalents for the purpose of cash flow statement comprises of cash in hand and balance with bank including fixed deposit and short-term highly liquid investment with an original maturity of three months or less.

q) Operating Cycle

Based on the nature of business of the Company and the normal time between acquisition of assets and their realisation in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

r) Provisioning Norms
